```

4. Highlight all the text displayed in the box

The screenshot shows a YouTube video player for "Cricket Match 2" by "MovingPostCards". The video has 1,575 views and 38 comments. Below the video player, there is a section for sharing and embedding. The "Embed" option is selected, and a text box containing the embed code is highlighted in blue. The code is: `<iframe width="420" height="315" src="http://www.youtube.com/embed/EzQ76RKdoaI" frameborder="0" allowfullscreen></iframe>`

Right click your mouse and select copy

This screenshot is similar to the previous one, but a context menu is open over the embed code box. The menu options are: Undo, Cut, Copy (highlighted), Paste, Delete, and Select all. The embed code is still highlighted in blue.

5. Select the one of the boxes, right click and select paste

The screenshot shows a "Player Video Upload" form. It has a title bar and four input boxes. The top-left box contains the embed code: `embed/EzQ76RKdoaI" frameborder="0" allowfullscreen></iframe>`. The other three boxes are empty and contain the placeholder text "Insert vimeo or YouTube embedding code here".

The code will be displayed in the box
